---

# Forests and Children

# Forest Teach Us about Life and Death

---

# Forests Show Us There Are Many Ways to Grow

Spring growth: 3 year old Douglas fir, western red cedar, western white pine

# Forests Teach Us There are Many Ways to Be

---

# We are Forest Keepers

---

# Wood Is Good

# Forests and Families are Symbiotic

---

# What is your plan to tell the world “Wood is Good”

---

Invite people in real life

Invite people by writing  
stories,  
memoirs,  
poems,  
cartoons,  
bumper stickers,  
creating videos,  
starting a Youtube channel,  
posting on social media,  
starting a Substack,  
shouting from the mountain top,  
whispering in a child's ear.

INVITE  
WELCOME  
GATHER

# What Dad Carries

---

# Feel Free to Contact Me
